Recording coverage

Every coach records two extra lines.

Use one recording per script position. If the lead coach is unavailable, choose a listed backup and keep that sentence's original Start and End Transition.

LINE	MAIN COACH	BACKUP COACHES
01	Mohamed Ouahbi	Emerse Faé / Sébastien Desabre
02	Hossam Hassan	Hugo Broos / Hervé Renard
03	Bubista	Vladimir Petković / Carlos Queiroz
04	Patrick Vieira	Sébastien Desabre
05	Emerse Faé	Mohamed Ouahbi
06	Hugo Broos	Bubista
07	Sébastien Desabre	Emerse Faé
08	Vladimir Petković	Hossam Hassan
09	Hervé Renard	Patrick Vieira
10	Carlos Queiroz	Hossam Hassan / Bubista
11	Mohamed Ouahbi	Patrick Vieira
12	Sébastien Desabre	Hervé Renard
13	Hossam Hassan	Vladimir Petković / Carlos Queiroz
14	Bubista	Mohamed Ouahbi / Hugo Broos

No coach is assigned adjacent script positions, including backups. Every single-coach absence is covered. Six sentences have two backups; coverage for multiple absences depends on who records.

Record both backup lines now. Keep the full 14-line sequence in the edit.
